Calcinate del Pesce, Januar 14th 2016

Dear friends,

ACAO (Aero Club Adele Orsi) is very glad to invite you to the 2<sup>nd</sup> Vintage Glider Meeting Plinio Rovesti 2016 which is taking place at ACAO, Adele and Giorgio Orsi Airport in Calcinate del Pesce (Varese) from 11<sup>th</sup> to 18<sup>th</sup> June, 2016.

Our Aero Club is located in a beautiful area near the Lake Maggiore and very close to the Alps and has a large grass runway used for aero tow operations.

Hangar space is available **only** for a limited number of rigged gliders, especially for gliders with difficulties in rigging and de-rigging but this has to be agreed previously.

The bar of the Club can offer breakfast, sandwiches, beverages and ice creams. There is also a restaurant where it will be possible to have lunches and dinners.

Inside the airport there is also a nice, not very big camping site and in this touristic region many hotels and B. & B.'s are available.

You can find tourist information at <http://www.vareselandoftourism.com>

Further information and news will appear on our website [www.acao.it](http://www.acao.it)

We ask you kindly to register as soon as possible.

We are looking forward to seeing you at ACAO.

Best regards,

Margherita Acquaderni

A.C.A.O. President
