

Wenlock Olympian Gliding Games

13th - 19th July 2014

at the

Midland Gliding Club, Long Mynd, Shropshire

The only Olympian Gliding event in the UK open to all wood and fabric covered gliders at one of the oldest gliding clubs still in existence. This grass roots gliding event is open to all pilots with daily prizes for all who choose to compete and Olympian Medals for the top three. The 2014 event will have a single handicapped open class. If you don't want to compete bring your glider along anyway and join the fun.

Full met briefing and task setting every flyable day with the added bonus of bungee launching when conditions are suitable. On site accommodation, professional catering and a well stocked bar in the heart of the Shropshire hills and on the edge of Wales.

For further details contact the MGC office on 01588 650206 or email: office@longmynd.com

The Wenlock Olympian Gliding Games is a bi-annual event organised by Midland Gliding Club in partnership with the Wenlock Olympian Society. It is the only gliding event in the UK that awards Olympian Gliding medals.

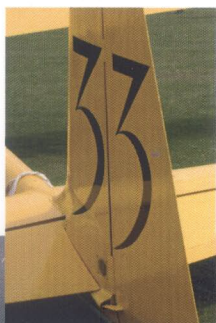

For those that wish it is a serious gliding competition with a single handicapped open class for all wood and fabric covered gliders. There are (small and inexpensive) prizes for the day winners and Gold, Silver and Bronze Olympian Society medals for the top three competing pilots. Met. briefings and task setting available for all on every flyable day.

For those that don't it is a chance to fly in some of England and Wales' best countryside, largely unhindered by airspace in the company of like minded vintage enthusiasts from across Europe. Local thermal, ridge and wave conditions allow flying most of the time from the UK's highest gliding club with the added advantage of professional winch launches to around 3000' asl and bungee launching in suitable conditions.

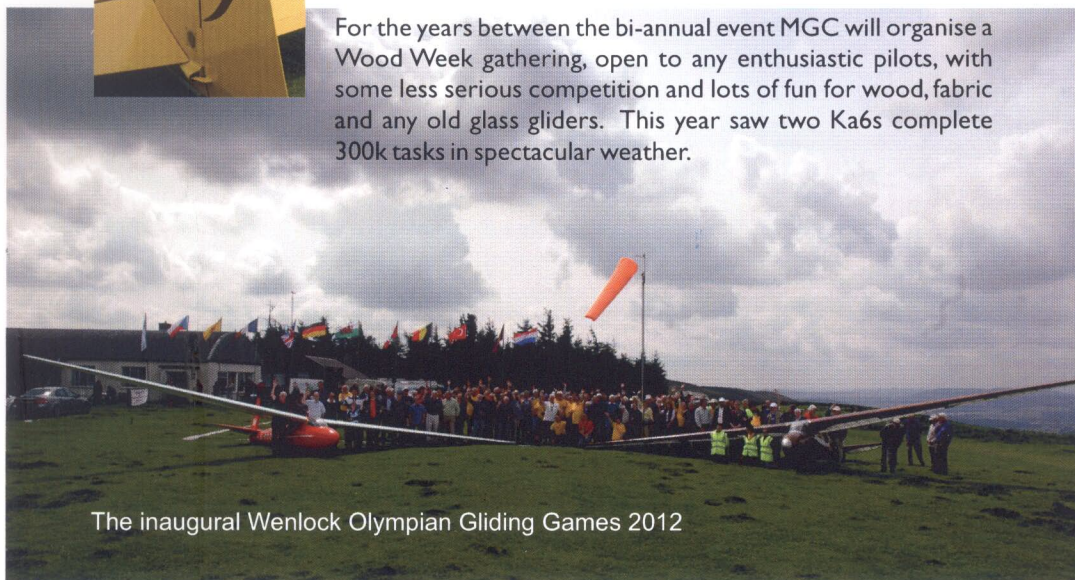

The club offers comfortable private accommodation, bunk rooms, caravan parking and camping, professional catering and a well stocked bar. The local area offers a wealth of things to do for non-flying family especially walking and cycling. Children of all ages are especially welcome.

Support grass roots gliding. Follow olympiangliding.com for further information, or call MGC on 01588 650206 or email office@longmynd.com

For the years between the bi-annual event MGC will organise a Wood Week gathering, open to any enthusiastic pilots, with some less serious competition and lots of fun for wood, fabric and any old glass gliders. This year saw two Ka6s complete 300k tasks in spectacular weather.
